

2020 Open Enrollment Checklist

Prior to November 1, 2019

- Estimate your household income for 2020
- Review your 2019 medical expenses & needs
- Make a list of your must-have doctors & preferred facilities for medical care
- Determine who needs to be covered by your insurance plan
- Gather personal information for all people you plan to include on your plan (social security numbers, etc.)

November 1, 2019 - January 1, 2020

- Enroll in a plan November 1 - December 15
 - Speak with your current insurance agent to review your options for re-enrolling in your current plan, or explore new plans
 - or**
 - Explore health coverage options with iCan & we can assist you in finding a plan that meets your needs or guide you in the right direction if you may be eligible for financial aid, Medicaid, etc.
 - or**
 - Visit [HealthCare.gov](https://www.healthcare.gov) or your state's Marketplace
- January 1, 2020 - the plan you enrolled in before December 15, 2019 begins!
